Training and Book-Signing

MARCH 6, 2009

Motivational Interviewing

... is designed to provide increased skill in applying motivational interviewing in clinical social work practice. The training begins by examining previous approaches to treatment of addiction. Participants will be introduced to key concepts in motivational interviewing including; interviewing processes, rolling with resistance, concept formulation and summarizing skills. Experiential exercises will be included throughout the training to enhance the clinicians ability to apply concepts of motivational interviewing. This event is designed to meet the needs of

Kenneth Yeager, PhD, LISW-S, Associate Professor, Clinical - Psychiatry, Director of Quality Assurance , Department of Psychiatry, OSU and Harding Behavioral Health-care and Medicine, Ohio State University Medical Center

For Immediate Release:

The Pocket Guide to Crisis Intervention

...is a complete crisis toolkit, a trusted resource to consult on the fly, packed with easy-to-follow, step-by-step, evidence-based protocols for responding effectively to a broad range of traumatic events.
