Re: July 17 Meeting
Date: June 27, 2008

**Let Cynthia know (wardc@sconet.state.oh.us or 614.387.9305)
if you need a room and/or lunch by Monday, July 7.**

This Month: Narrow Topics

Rather than meet as a full Commission, I'd like to invite those interested in two focused topics:

- The survey on felony sentencing that was discussed in June. I'll prepare a draft for the meeting and welcome any suggestions by e-mail or otherwise.
- The *Mens Rea* Committee (volunteers included Brown, Corzine, Hany, Lane, Madigan, Nastoff, O'Toole, and Warren, but all are welcome). I'll invite Professor Doug Berman of the OSU law school to participate.

We will meet in our usual spot at the Supreme Court unless the rains force us onto an ark.
